THE 2024 AAAE
INTERNATIONAL AGRICULTURAL ENGINEERING
CONFERENCE (IAEC2024)

THE 17 TH TSAE INTERNATIONAL CONFERENCE (TSAE2024)

Bangkok International Trade and Exhibition Centre (BITEC),

"
The Asian Association for Agricultural Engineering (AAAE) in collaboration with Thai Society of Agricultural Engineers (TSAE) organizes International Conferences on the theme "Smart Agricultural Engineering for resilient and sustainable world". The forum will assist in dissemination of knowledge from Academic researchers, students and the industry for betterment of sustainable agriculture to Farmers especially in the Asian region. The Conference will be held in conjunction with AGRI TECHNICA ASIA 2024 that will give exposure to the latest technology and equipment from all over the world. All the participants will have free access to the exhibition.
"

The topics of the Conference will include but not limited to oral and poster presentations.

- Agricultural Machinery and Equipment
- Soil and Water Engineering
- Post harvest processing and Food Engineering
- Agricultural Systems (Agricultural management including logistics, supply chain management, traceability and food safety.)
- Computers and Electronics in Agricultural Engineering (including AI, Remote sensing, precision agriculture, sensors, robotics and bio informatics)
- Energy and Environment
- Industrial Innovations in Agricultural Engineering – Platform for Industry to introduce latest concepts and innovations

Important Dates:

30Jan2024 - Abstract Submission
15Feb2024 - Acceptance of Abstracts
5Mar2024 - Article Submission
30Mar2024 - Acceptance of Article
30April2024 - Final Article submission

Abstract Submission:

Each abstract should consist of a title, name(s) and affiliation(s) of author(s). Main abstract body must be in one paragraph and consist of introduction and objective, methods and results. Key result must be mentioned so that the reviewers can assess the suitability of the abstract. Brief conclusion stating main findings, recommendation and/or implication of the work should also be mentioned. A list of key words (three to five) should appear below the abstract body. An article should be prepared based on template given after the abstract acceptance.
